THEATERLINK

by PostHaste Design

Hidden in an average 'clean' theater.

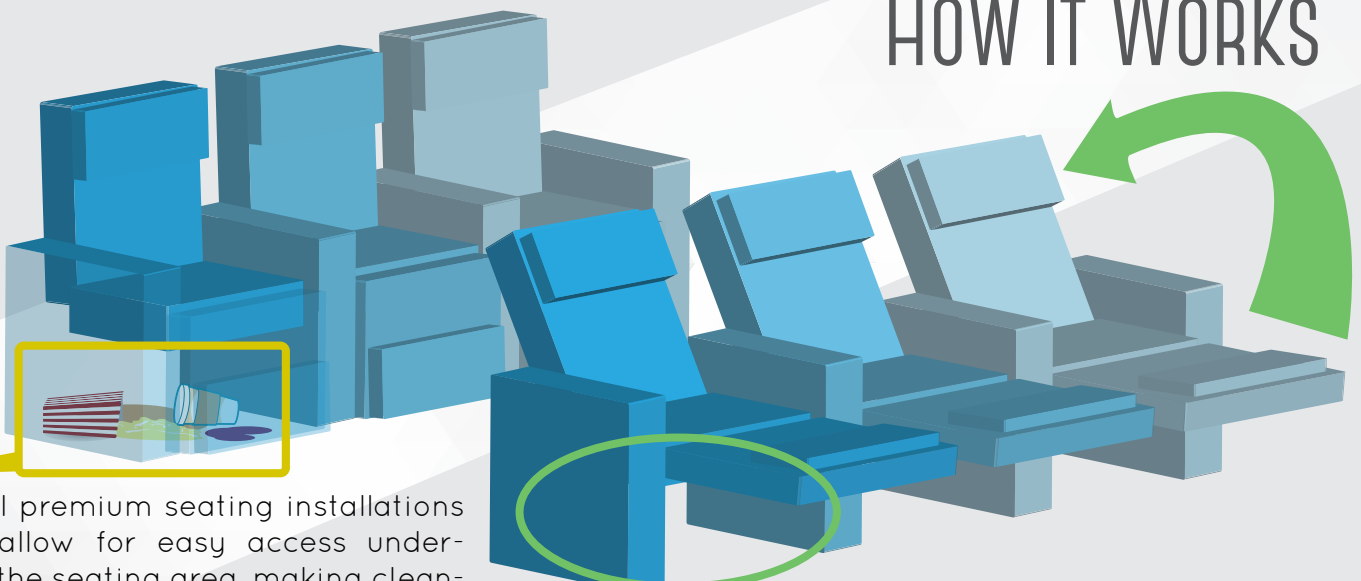

BENEFITS

- Cleaner theaters
- Reduces cleaning time
- Seats are always closed and ready for the next showing
- Saves \$47.45 per year in labor costs

COST

- \$37 per chair (1 motor per chair)
- \$549 per theater
- \$42.49 average cost per chair

HOW IT WORKS

! Typical premium seating installations don't allow for easy access underneath the seating area, making cleaning difficult and time-consuming.

✓ TheaterLink opens all of your chairs with the turn of a key, allowing easier access and cleaning of your seating area with a fraction of the effort and time.

HUB MODULE

- Fits standard 2-gang wall box
- Tamper-resistant key operation
- Easy installation
- Standardized keys for all theaters

EASY INSTALL,
EASY OPERATION.

CHAIR CONTROL

- Easy, one-touch syncing
- Easy to install
- Installation available
- One device controls two chairs
- Mounts out of sight
- Models compatible with all seat manufacturers

OPEN, CLEAN, CLOSE.
IT'S THAT SIMPLE.

labor savings per chair
